

The end of the world in 2012
For the Christians, Jesus is God
Santa Claus is real
The planet is not round but flat (Marine Et Vincent)

The prostate test is cool
I like learning English in school
The American people are not destiny
The planet is not round but flat (Mathieu et Marcus)

Children don't have to go to school
Dentists consider candy to be good
The sombrero is a technical gesture, not a hat
The planet is not round but flat (Leo et Khalis)

Man has never been on the Moon
Rice is eaten with a spoon
Trump is a Democrat
The planet is not round but flat (Jeremy et Zachary)

A diamond is a rare stone
Robert Johnson was inspired by the Rolling stones
Your mother's not fat
The planet is not round but flat (Jeremy et Zachary)

9/11 was a crazy job
The vaccine is filled with probes
Drummers use a baseball bat
The planet is not round but flat (Quentin et Martin)

Robots will cripple the planet
The outfit justifies the rape
Unemployment pays well
The planet is not round but flat (Phoeby et Clarisse)

A big meteor doesn't make a big impact
Killing someone is legal
Cerberus is a sweet animal
The planet is not round but flat (Kevin et Raphael)

Schoolchildren love homework
The capital of the USA is New York
Parrots eat rats
The planet is not round but flat (Virgil et Marwan)

An egg is solid like a rock
For health, you need to smoke
If you eat leeks, you will become fat
The planet is not round but flat (Evan et Tom)

Cats always fall back on their feet
The English only drink tea
It's always cold in Russia
The planet is not round but flat (Juliette et Anais)

The British drink beer for breakfast
Pink is a man's colour
Women don't know how to fight
The planet is not round but flat (Yasmina et Loai)
